

# COLUMN D200 60 W

## URBAN LIGHTING LUMINAIRES

IP66

IK08

EN60598 CE

| Power           | Total Height (H) | Head   |
|-----------------|------------------|--------|
| 40W / 60W / 80W | 3000mm           | 1000mm |
| 40W / 60W / 80W | 4000mm           | 1000mm |
| 40W / 60W / 80W | 5000mm           | 1000mm |

## PRODUCT DATA

### General Information

|                            |                                                         |
|----------------------------|---------------------------------------------------------|
| Number of light source     | 384 pcs                                                 |
| LED module                 | Mid Power LED's                                         |
| Light distribution         | Symmetric                                               |
| Light source colour        | 3000K-4000K                                             |
| Number of gear unit        | 1 unit                                                  |
| Driver / power unit        | PS (Constant current)                                   |
| Driver included            | Yes                                                     |
| Optical cover / lens type  | Diffuser                                                |
| Control interface          | On/Off                                                  |
| Connection                 | -                                                       |
| Cable                      | 3x0,75 mm <sup>2</sup>                                  |
| Protection class IEC       | Safety class I                                          |
| CE mark                    | CE mark                                                 |
| ENEC mark                  | -                                                       |
| Warranty period            | 5 years                                                 |
| Optic type                 | Symmetric                                               |
| EU RoHS compliant          | Yes                                                     |
| Light source engine type   | LED                                                     |
| LDT / IES photometric file | Available                                               |
| Life span                  | Estimated average 50.000 hours                          |
| MacAdams                   | CCT tolerance within a 3 step MacAdams ellipse          |
| Product code               | 60-74-020-60-384-XX-0-X (XX:Pole height, X: Led colour) |

### Operating and Electrical

|                     |              |
|---------------------|--------------|
| Input Voltage       | 100-305 V AC |
| Input frequency     | 50 to 60 Hz  |
| Inrush current      | 273 mA       |
| Power factor (min.) | 0.92         |

### Control and Dimming

|                    |              |
|--------------------|--------------|
| Dimmable(optional) | 1-10V - DALI |
| DMX                | -            |

### Mechanical and Housing

|                                     |                                                           |
|-------------------------------------|-----------------------------------------------------------|
| Housing material                    | Aluminium extrusion & die cast                            |
| Gasket                              | Silicone                                                  |
| Optic material                      | PMMA                                                      |
| Optical cover / lens material       | PMMA                                                      |
| Fixation material                   | Stainless steel                                           |
| Mounting device                     | -                                                         |
| Effective projected area            | 0,6m <sup>2</sup> - 0,8m <sup>2</sup> - 1,0m <sup>2</sup> |
| Colour                              | Grey                                                      |
| Dimensions (height x width x depth) | 3000,4000,5000 x 200mm                                    |

### Approval and Application

|                                        |          |
|----------------------------------------|----------|
| Ingress protection code                | IP66     |
| Mech. impact protection code           | IK08     |
| Surge protection (common/differential) | 6 KV/4KV |

### Initial Performance (IEC Compliant)

|                          |                                     |
|--------------------------|-------------------------------------|
| Module luminous flux     | 7740 lm (4000K) / 7493 lm (3000K)   |
| Luminaire luminous flux  | 7036 lm (4000K) / 6812 lm (3000K)   |
| LED luminaire efficiency | 116 lm (4000K) / 112 lm (3000K)     |
| Colour Temperature       | 4000K / 3000K                       |
|                          | 6500K also available up on request. |
| Colour rendering index   | ≥70                                 |
| Rated LED power          | 55 W                                |
| Rated luminaire power    | 60 W                                |

### Application Conditions

|                           |                |
|---------------------------|----------------|
| Ambient temperature range | -25°C to +55°C |
| Maximum dimming level     | -              |
| Net weight (piece)        | Variable       |

### Fixture Run Length

To calculate fixture run lengths and total power consumption for your specific installation, please ask to company assistant
